WHAT WE DO

Placing travel back in your hands

Experience NL is a boutique travel agency responsive to modern, self-guided travelers with diverse interests.

We live by the principle: *we're all unique, we all enjoy different things and our travels should reflect it*".

We design compelling, experiential (*experience-based*) Newfoundland and Labrador holiday packages.

Experience NL is transforming the visitor experience here by placing travel back in the hands of the traveler.

Hence, you come away with the vacation of a lifetime and not just pretty pictures.

HOW IT WORKS

NL is a most unique holiday destination, a former fishing colony with 271 communities (3 cities and 268 towns) that cover just 2.2% of its landmass.

The vast majority of its sites are coastal, accessible only by secondary routes.

One common mistake visitors make is to try to see most of it in a short timespan.

By 'biting off more than they can chew', they end up driving the bulk of their trip.

Don't go it alone, you don't want to waste precious travel time or miss out on those exceptional experiences.

PLANNING FOR YOU

At the heart of our travel services are **3 Signature NL Experiences** - *Eco-Adventure*, *Living Heritage*, and *Health & Wellness*.

From here, we provide you with authentic and engaging experiences like Geology, Ecology, Foodie, History, Retreats, Arts, Holistic and much more.

Of course we send you to NL's tourism hot spots but also to its hidden gems. These are the countless nooks and crannies most visitors never hear of and miss out on.

To capture your 'holiday snapshot', we administer a brief assessment to collect your values and interests.
